Other:								
Distance to Property Line: Lot Size:								
all sewage generated on site must be disposed of in accordance with Department of Health Legislative Rules 64CSR9 and 64CSR47. I further understand that it is my responsibility to consult with the local health department sanitarian for assistance in determining location of and receiving approval for any proposed sewage system. Failure to do so may result in my inability to obtain a permit to install an onsite wastewater disposal system. I further understand that if I install the pump system, I must take an exam before installation and submit a completion report after installation.								
Signature of Property Owner Date:
